

What Can You Imagine?

Bomanite

Imagine

Concrete Lets You Get Creative.

Bomanite architectural concrete is the creative solution to a beautiful new environment for your home. For almost five decades, Bomanite has offered you an unmatched range of design choices to create distinctive paving and flooring. Whether your next project is a beautifully sculpted entryway or a high-tech basement floor, you can depend on Bomanite products to create unique, dramatic effects limited only by your imagination.

Imagine The Possibilities.

Bomanite – quality you recognize, a name you trust.

Bomanite offers a wide range of products for you to choose from, all with the durability and ease of maintenance that you want for your home. Whether it's a stained, stamped, or stylish floor you are looking for, you can count on Bomanite to deliver. With a virtually limitless palette of colors, textures and patterns, Bomanite architectural concrete has the answers to all of your paving and flooring needs.

Only Bomanite offers a system so varied and complete.

Bomanite is far more than just imprinted concrete. With products such as Micro-Top™ and Patène Arctectura® you get an unlimited range of options to fit any budget, any design criteria. Bomanite adds a unique statement of style and personality to virtually any surface, perfect for both indoor and out. Each Bomanite installation worldwide is versatile enough to complement a wide variety of regional architectural styles. Give your home a distinctive style. Choose Bomanite architectural concrete products for your driveway, walkway, patio, pool deck or interior flooring and add beauty and value to your home.

Let Bomanite be your product of choice.

When you specify Bomanite products, rest assured that the application will be handled by highly skilled and specially trained licensed Bomanite contractors who will work with you to create innovative, high-quality paving and flooring solutions for your home. Give your local Bomanite contractor a call today. With innovative Bomanite products, there's no end to your creative potential.
